

Welcome to the Old Mill's
Pottery House Café & Grille

where you will find delicious sandwiches served on freshly baked breads made with grains ground at the Historic Old Mill. Our plates, bowls, salt & pepper shakers, even our bathroom sinks are handcrafted by our skilled artisans at Pigeon River Pottery and may be purchased there. Several of the sauces, dressings, soups, mixes and breadings used on our menu are available for purchase at the Old Mill Farmhouse Kitchen, The Old Mill General Store or on the web at old-mill.com.

This building, built in 1953, was originally the residence of renowned potter Douglas Ferguson and has been carefully renovated to maintain its architectural integrity and significance.
